The Planning and Architectural Review Commission currently holds meetings in person at City Hall, or an alternative physical location as allowed by the City Ordinance. As a courtesy to residents, Council meetings will also be made available live on Zoom virtual platform for viewing and possible participation. However, the City cannot guarantee the technology supporting the virtual viewing option will operate perfectly and continuously. The only way to guarantee the ability to offer public comment, or view the meeting uninterrupted, is to appear in person. If the Zoom platform fails, the meeting will continue as scheduled.
